The Chamber searches for benefit partners that provide first-class service, stream-lined processes and quality products at discounted prices. Our local broker Acordia administers the plans for Chamber members.

### **Health insurance: ChamberPlan**

Chamber members enjoy the same health care options and savings as large corporations with Anthem Blue Cross and Blue Shield.

Chamber members receive:

- Personalized quality coverage from Anthem Blue Cross & Blue Shield.
- Savings up to 3% off street rates on health care premiums
- The lowest rates available when health insurance is combined with disability and term-life insurance.
- The lowest price and best service in the area on vision service plans from VSP.

### **Individual health coverage**

Save time and money while getting the trusted strength of Anthem Blue Cross and Blue Shield. Coverage includes prescription drug benefits, large physicians networks, discounts on dental and vision services, well childcare, non-network options and more!

### **Vision coverage**

Affordable, high-quality eye care plans from the nation's largest provider of exceptional eye care coverage. The only program available for small groups, too! The VSP network includes nearly 18,500 doctors nationwide.
