Columbus Region Logistics Assets

- More than 210 million square feet of ware-housing and distribution
- Solid transportation infrastructure through railway, air and roadway
- A well-developed system of local roads and limited-access highways
- Service by class-one railroads: Norfolk Southern and CSX
- A Foreign Trade Zone, around-the-clock U.S. Customs and Border Protection
- Thriving metropolitan area with 1.7 million people, and the third-fastest growing major metropolitan area in the Midwest.
- Vibrant and growing workforce; the Columbus workforce has access to 20 colleges and universities, serving more than 110,000 students in our community.
- Ranked 4th by U.S. News and World Report 2008
- A Midwest location within a one-day drive or one-hour flight of nearly half the population and manufacturing capacity of the U.S. and Canada.
- A logistics hub anchored by the Rickenbacker area with more than 35 million square feet of development, CSX and Norfolk Southern Railroads, a cargo airport and foreign trade zone.
- Home to Ohio's capital, the 15th largest city in the U.S.
- With the infrastructure you need and space to grow, the Columbus Region is perfectly situated to connect you to the world.
