

# Europe: The momentum continues

Every year more companies based in Europe find just what they need to do business in the United States, right here in Ohio. Centrally located in the country's Midwest, Columbus offers the access, workforce and resources you need.

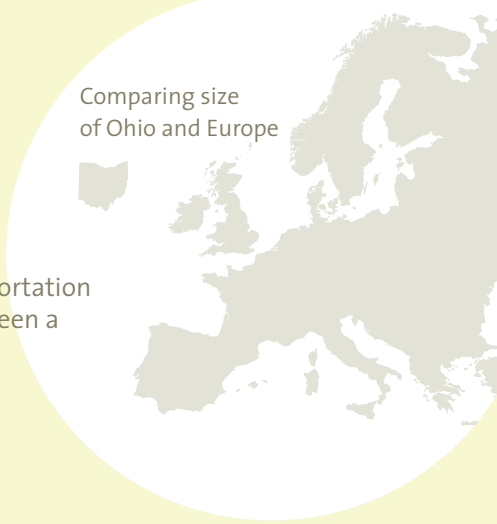

**The Columbus Region** is a seven-county economic development region in central Ohio comprised of Delaware, Fairfield, Franklin, Licking, Madison, Pickaway and Union counties.

## Access to resources

Columbus, Ohio, provides what companies need to reach North American markets. With excellent market access, a solid transportation infrastructure and a strong workforce, Greater Columbus has been a focal point of distribution for well over a century.

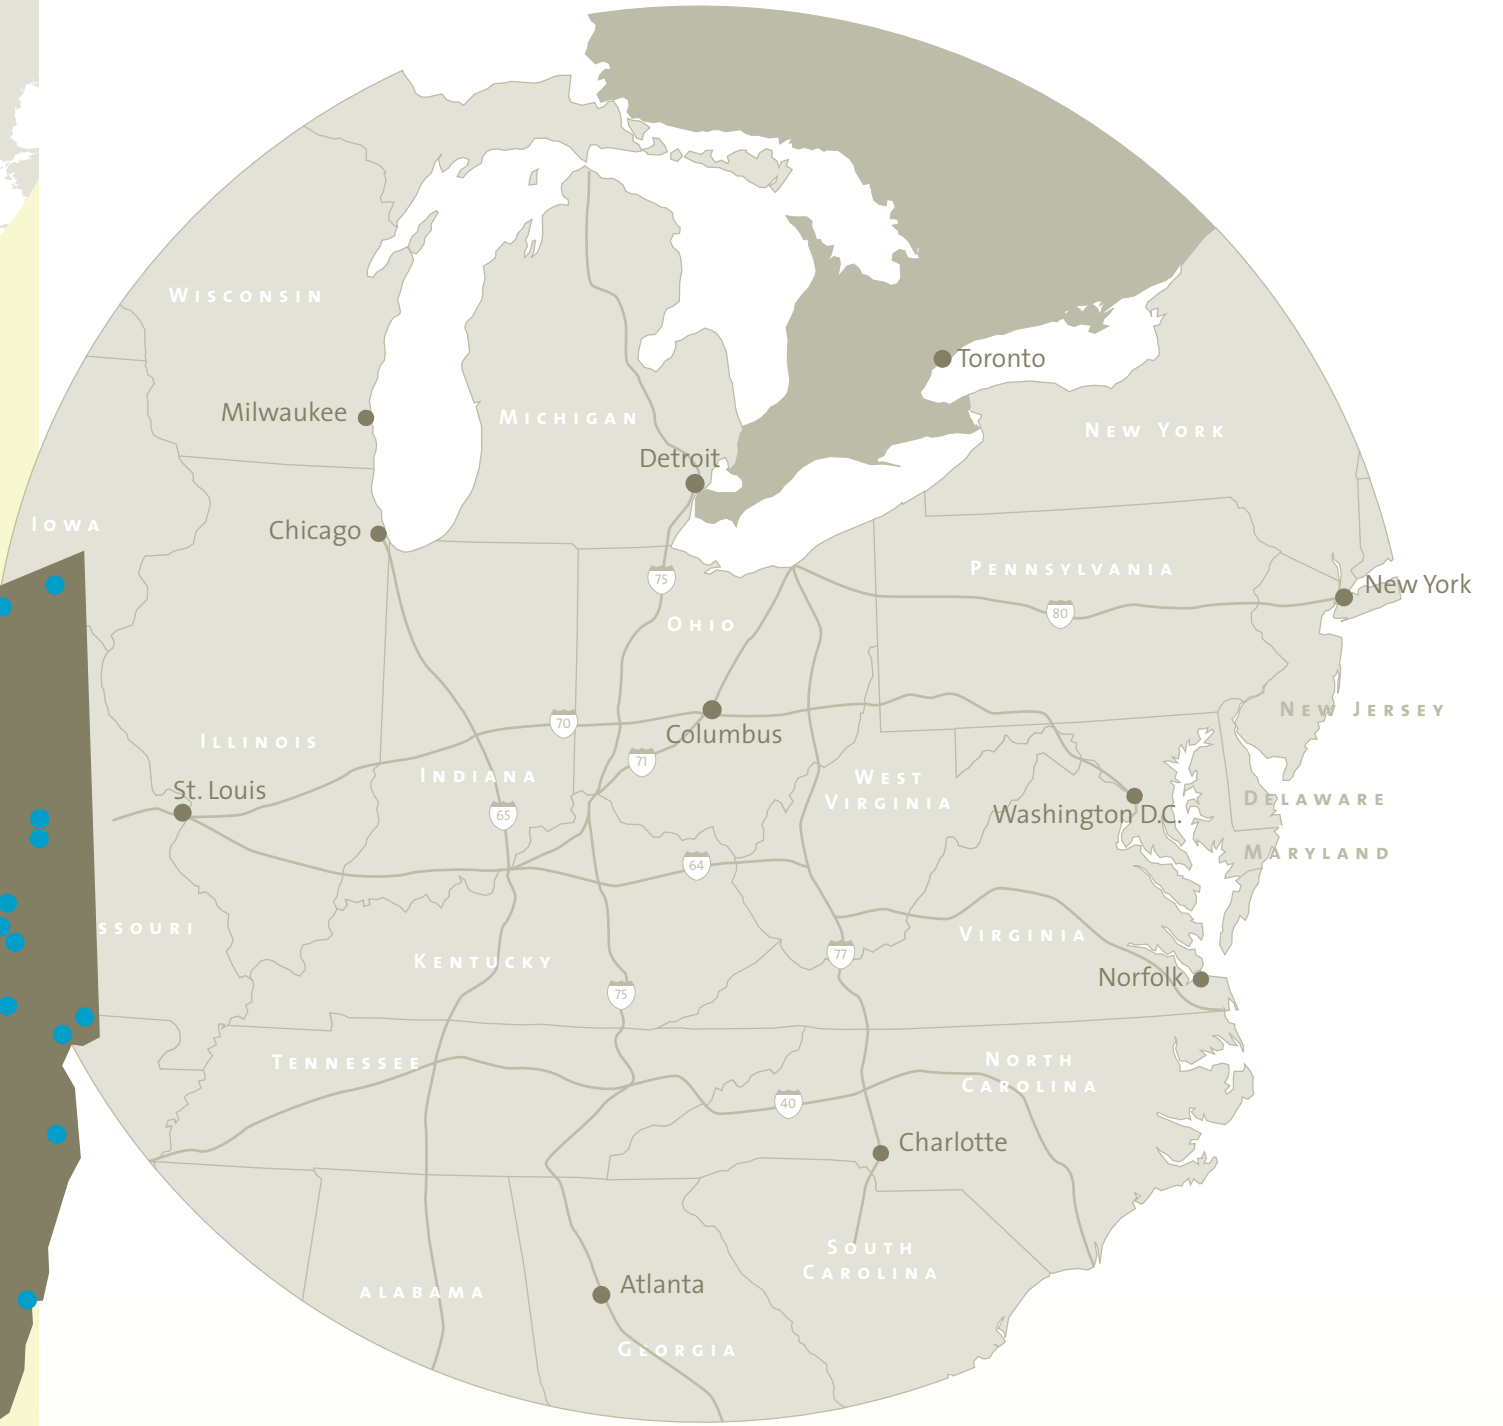

The Columbus Region is the region-wide contact point for:

- Site selection assistance
- Available real estate
- Incentives and business tax information
- Key contacts and introductions
- Demographic, wage and economic data
- Regulatory navigation assistance
- Access to workforce training and recruitment resources
- Community tours and site visits

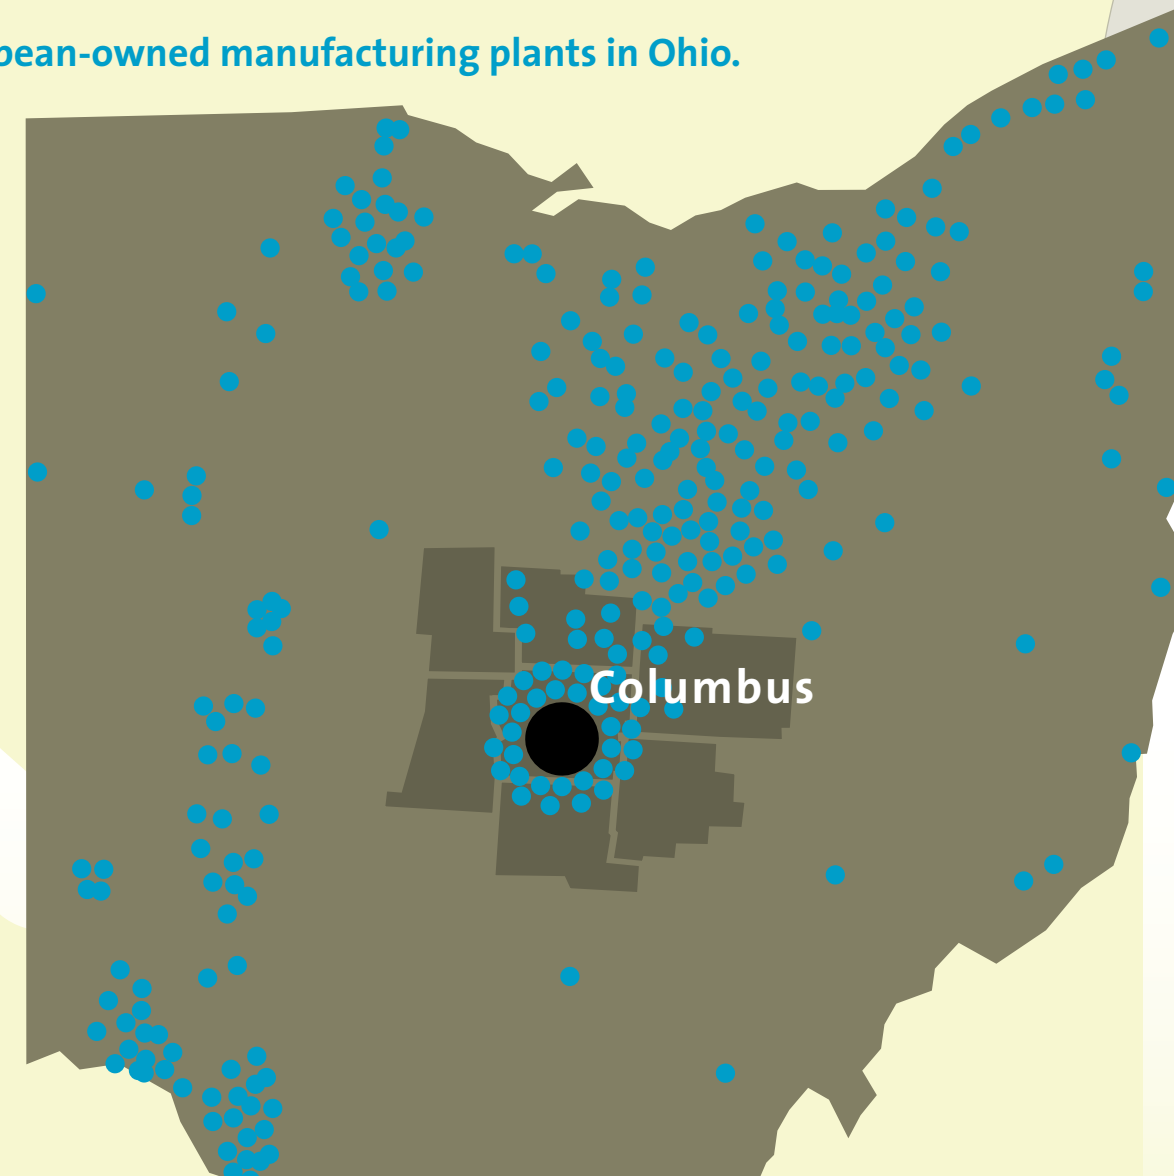

Comparing size of Ohio and Europe

## Area within a one-day truck drive (750km) of Greater Columbus

## European-owned manufacturing plants in Ohio.
