Robert: Excellent Plant Accountant with strong cost accounting background. He has prior public accounting experience along with an exceptional work ethic. Someone who is a must meet! Recruiter: Lisa McEvoy

Aimee: Staff Accountant with 1 1/2 years in public accounting is seeking a new role. She has a strong background in internal audit and is open to public or private sector. She has passed the CPA exam and is just shy of the required hours to be certified. She is available immediately to tackle your next project. Recruiter Mary Beth Principe

Danielle: Goal oriented accountant experienced in bookkeeping and financial reporting. Proven talent to research sales reporting errors to keep balance sheet accurate. Demonstrated the ability to assist clients with credit charge inquires to resolve issues. Seeking a position in which my skills as an accountant can improve business processes in an effort to increase the company's growth and value. Recruiter Lisa McEvoy

Dustin: Accounting Supervisor working for the same company since 2001!! He has an excellent work ethic with strong cost accounting and inventory background working for a manufacturing company. He is someone that "gets it", something that is willing to go the extra mile to make sure things are accurate. He is a team player and someone that comes highly recommended from past employers. Recruiter Lisa McEvoy

Cynthia: Executive Admin. available for her next assignment. Effectively managed business calendars and executive daily schedules, reviewed emails for priority information and meeting requests, arranged foreign and domestic travel. Well versed in MicroSoft office as well as Lotus Notes. Recruiter Mary Beth Principe
