

Senator Sherrod Brown

AND THE SMALL BUSINESS ADMINISTRATION HOST SEMINAR

You are invited to join Senator Brown and the SBA for a Small Business Seminar in Columbus on June 15, 2009

About the event:

Senator Brown, members of his staff, and the U.S. Small Business Administration (SBA) will be on hand at the seminar to discuss the new ARC Loan program and other opportunities related to the economic recovery package.

As part of the American Recovery and Reinvestment Act of 2009, the ARC program was created as a no-interest, deferred payment loan to aid small businesses that have a history of good performance, but as a result of the current economy, are struggling to make debt payments.

Come learn how your small business can benefit from programs available through the Small Business Administration.
